

Enjoy

Pure aesthetics and sitting comfort come together in Enjoy

Add a touch of design to your home with the wide 2.5- or 1-seater Enjoy. Timeless and in its purest form, this sofa fits into any interior. The sofa offers maximum ergonomic comfort without sacrificing elegance.

Sleek, serene design

Designed by renowned designer Axel Enthoven, the Enjoy sofa is a unique combination of radically simplified aesthetics and ultimate sitting comfort. With its subtle, refined black legs and minimalist, sleek design, this sofa blends into any setting.

This design furniture for young and old is available in more than 200 colours in fabric, leather or artificial leather.

Comfortable on an elegant sofa

Lying on the couch, relaxing with a good book or the tablet on your lap for your favourite series? It is all possible in Enjoy. Whether you opt for a 1-seater or a slightly wider 2.5-seater, with the Enjoy sofa you count on an ergonomic seat and backrest and a comfortable armrest. Every Enjoy sofa is equipped with high-quality foams for superb sitting comfort.

Create a harmonious whole in your living room and combine Enjoy with the Pause lounge chair.

LEGS

Metal legs

Black painted metal pleated legs with designer look, suitable for domestic use. Fitted with polyamide floor glider.

Wooden legs

Solid beech legs, stained according to colour collection. Equipped with a floor glide and suitable for intensive project-based use.
