## Armchair \

An armchair with character you just can't ignore. Elegant look and feel, high-quality finish combined with excellent seating comfort. The 'ears' of this elegant armchair create a cosy cocoon, allowing you to read or relax in peace. The high, passive back, which is typical for this model, adequately supports the back and helps create a relaxed sitting posture.

Suitable for common areas, salons and waiting rooms. Available as a 1-seater or 2,5-seater (ideal as comfortable waiting sofa for entrance halls or waiting rooms).
