## Chair with armrests \

The Presence+ chair is a chair for daily use. An upgrade of the popular Presence chair.

The armrests are fitted with an ergonomically designed grip, which make it easier to stand up. The opening between the seat and the back makes it easier to clean the chair.

## What makes the chair Presence+ so unique? \

- \ Care chair, suitable for more demanding care applications
- \ Excellent ergonomics
- \ Sleek look
- \ Optimal back fixation
- \ Opening between back and seat for easy cleaning
- \ Easy tightening of the frame after long-term use
- \ Strong back connection
- \ Seat and back are removable for reupholstery

Easy tightening of the frame after prolonged use or removal for reupholstery
