## FRAME

Steel tube frame with recessed, hidden rails. Epoxy coated in RAL colour according to colour collection. Fitted with plastic caps with adjustable feet, black PA. Rails fitted with metal mounting plates (number of plates depends on the table).

## TABLE TOP

**Table top type** Laminated chipboard

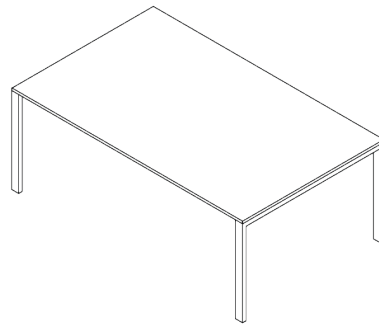

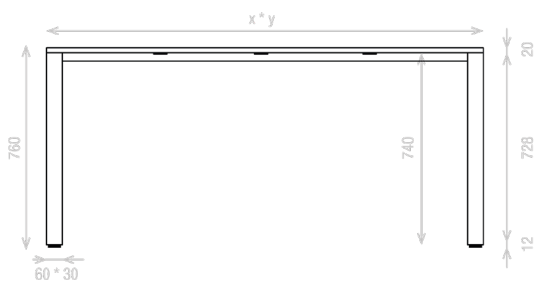

**Table top thickness** 20 mm

**Table top construction** Top surface HPL. Chipboard core with white cover layer underneath. Matching edging in rounded ABS.

**Corners** Four rounded corners with 2 mm radius.

## TABLE CONSTRUCTION

The table top is attached to the frame with screws. The frame is fitted with several welded plates with 2 holes each, so the screws clamp the table top onto the frame.
